Press Release

A.T.E. Confirms Participation in ITMACH India with a Large Stall

Karl Mayer, Luwa India Pvt. Ltd, Mag Solvics Pvt Ltd, Softech Controls Pvt. Ltd., along with A.T.E. Enterprises will be at ITMACH India.

A.T.E. Enterprises Pvt. Ltd. (ATEEPL), the leading supplier of textile machinery and accessories across the textile value chain has confirmed its participation in ITMACH India exhibition which is scheduled from December 10-13, 2014. ATE and its principles have booked 150 sq. meters of space at ITMACH India, positioning itself as a 'one window solution provider' – ranging from spinning, weaving, knitting, dry and wet finishing, printing, garmenting, home textiles, synthetic fibers and filaments, carpets, technical textiles and nonwovens, and also utilities such as air engineering, water treatment, effluent treatment and lab equipment.

Karl Mayer

Karl Mayer Textilmaschinenfabrik GmbH is the world's leading manufacturer of warp knitting machines, Karl Mayer is also a leading manufacturer in denim machinery. The company's competencies also include technical textiles and glass fibre applications.

Luwa India PvtLtd

Luwa is a market leader in air engineering. Years of experience, profound know-how and proven European technology have led Luwa to provide customised solutions to several industries which are now trusted by over 1,000 customers in India. Its product range includes customised air handling units; turnkey air conditioning systems; central vacuum systems; automatic overhead traveling cleaners; and building management system.

Mag SolvicsPvt Ltd

MAG, one of the leading manufacturers of textile testing equipment in India manufactures high quality textile testing equipment for fibre, yarn, fabric and garment, conforming to international standards like ISO, ASTM, AATCC, BS, SDC, IS, IWS, IWTO, ITMF and DIN.

Softech Controls Pvt. Ltd.

An Indian professional engineering firm with 110 years of experience has carved a niche in the textile industry with its total automation solutions. Softech is part of the renowned Cotmac Group of Companies, with a strong domestic and international presence in countries such as U.S.A., Canada, UAE and Singapore.

ITMACH India is fully booked

ITMACH India is now fully booked, with around 200 exhibitors participating in the show. The textile machinery industry has come out in full support of this first of its kind international textile technology show in Gujarat.

ITMACH India is supported by the Govt. of Gujarat as “Principal Supporting State Govt.”, Industrial Extension Bureau (iNDEXTb) of Gujarat and leading trade associations like Confederation of Indian Textile Industry (CITI), PDEXCIL, SRTEPC as well as trade Medias. Considering the size and response, ITMACH India is conferred by the status of pre-summit event to Vibrant Gujarat 2015 to stimulate investments in Gujarat.
